Southern Region Advisors and Conference Delegates:

The Southern Zone Leadership Conference is fast-approaching, and I hope you are ready to hit leadership out of the park! The Green Valley High School Student Council and I are excited to invite you to our campus for the 2010 Zone Leadership Conference. As we hit homeruns and round the bases, you will find a day packed full of leadership workshops, guest speakers, and fun!

Within this packet, you will find everything needed to ensure an accurate registration. Please read each flier or document so nothing is missed. We want to make sure that every school is able to experience this great opportunity. I look forward to seeing you in January at the Conference!

Sincerely,

Taylor Ashton
Green Valley High School
Southern Region Representative
